

HORIZONTAL ALUMINIUM SLAT FENCING

The very popular and durable horizontal aluminium slat has increased in popularity over the years due to its long-lasting appeal, contemporary style and requires no maintenance.

Aluminium is naturally corrosion resistant; it can withstand the harsh Australian climate.

Available in a wide range of dulux powder coat colours to suit your home.

At JND Timber & Steel, all our products are made right here in Melbourne, our factory and showroom is located in Braeside.

While we have a wide range of standard styles pre-made and ready to go, we also offer custom made sizing.
